LEAGUE NEWS

FLOODLIGHTS – REDBRIDGE FC

The League is currently facing a problem with a small number of grounds which have floodlight problems.

Each Club is required to have floodlights producing a minimum average lux value over 88 readings of 120 lux. In these readings, no one reading can be more than four times the lowest reading so as to ensure an even spread of light. Each Club is also required by League Rule to take every precaution to keep its ground in good playing condition and amenities (including floodlights) in good working order throughout the Playing Season.

Each Club must comply with the requirements provided for in the grading criteria established by The FA. This criteria includes the need to test lux values every two years.

In the case of one Club, Redbridge FC, the two year certification expired on 26 October 2008 and, despite attempts made by the Club, the lights have not passed an inspection since 26 October.

Until recently the two year test certificate was due on a set date for all Clubs but this is now a rolling date. When it was due on a set date the League closed the grounds of Clubs which did not comply. In 2006 (the last season of Division Two), the member Clubs of that division were given a dispensation to enable them to play with an early kick off to try to assist particularly as most would not be included in the formation of the League for the following season.

Since then the Board has tried to be understanding and in certain situations have

LEAGUE NEWS

allowed Clubs to have early kick offs; but this has changed recently for a number of reasons - first because it is felt that the public liability insurance which Clubs have may be voided if the lights are not up to the required level despite the match being played earlier in the day; second because it is unreasonable to expect visiting Clubs to agree to different kick off times than those provided for in League Rules; third because if Clubs are allowed to continue to play at home there is no incentive to have the work put right and this is unfair to Clubs which have complied with the Rules.

In the case of Redbridge FC it is acknowledged by the League that the Club has responded to the problem; however if the Club had dealt with the matter in the close season, this present situation would not have arisen. The League hopes that the lights will be put right very soon so that football can return to this important part of London.

WEEKEND REVIEW

The weather was the winner on Saturday with 22 out of 31 Ryman League matches and the only FA Trophy tie being postponed. In the Premier Division, where half of the fixtures survived the rain, Dover Athletic stretched their lead at the top of the table to 13 points after beating Dartford 4–2. Tonbridge Angels moved back into the top four with a 2–0 win at Harlow Town, while there were important wins for two other Kent clubs, Maidstone United, 1–0 at Canvey Island, and Ramsgate, 3–1 over Sutton United. Bottom of the table Heybridge Swifts moved to within a point of nearest rivals Hendon with a 2–2 draw against Harrow Borough, who thus moved three points clear of the drop zone.

In Division One North, third-placed Ware were upset 4-1 at home by Tilbury, while Brentwood closed the gap behind them to one point after defeating Leyton 2-0. In the other match, Ilford remain close to the danger zone after going down 3-1 at Great Woking Rovers.

Only one game was played in Division One South, Ashford Town climbing up to the last of the playoff places with a 3-1 victory over Crowborough Athletic, who remain rooted at the foot of the table.

Premier Division

Dover Athletic were given a fright at the Crabble when Dartford's Rob Haworth scored after nine minutes. Jon Wallis equalised five minutes before the break and Lawrence Ball gave Dover the lead ten minutes into the second half. Although Haworth levelled matters after 71 minutes, Dover restored their advantage a minute later with a James Rodgers goal and they made the game safe when Ollie Schulz scored in the final five minutes.

Ollie's brother Warren was also on target, for Ramsgate as they defeated Sutton United at Southwood Stadium. Chukki Eribenne had given Sutton the lead after 20 minutes, but Ben Brown restored parity nine minutes before the break. Eleven minutes after the resumption Schulz gave Ramsgate the lead and Jay May made certain of the points with number three 16 minutes from time.

A solitary goal, from Roland Edge after 56 minutes, was enough for Maidstone United to return from Canvey Island with all three points. Second half goals from Simon Glover, 59 minutes, and Carl Rook, 85, gave Tonbridge Angels a 2-0 victory at Harlow Town.

At Scraley Road, Harrow Borough led twice against hosts Heybridge Swifts but had to settle for a share of the spoils. Robin Shroot gave Borough the lead after 35 minutes, but it lasted only six minutes as Neil Cousins equalised. A minute before half-time Gary Noel restored Harrow's advantage, only for Cousins to grab his second ten minutes after the restart.

Division One North

Ware remain in third place despite losing 4-1 at home to Tilbury. Bryan Hammatt gave Ware the lead after six minutes, but Michael Black made it 1-1 four minutes later. Rashid Kamara gave the Dockers the lead after 53 minutes, and their advantage was padded by

Jamie Wallace, 65 minutes, and Black, again, 81 minutes.

Brentwood Town are now just three points off top spot in fourth, and have at least one game in hand on all the teams above them, as they saw off Leyton 2-0 at the Arena. They took a fifth-minute lead when Danny Glozier converted a penalty, following a foul on Lee Perry. And they made sure of the points when Perry added a second just past the hour mark.

Great Woking Rovers were too strong for Ilford at Burroughs Park, taking an early lead with a goal from Dan Trenkle after three minutes and never looking back. Neil Richmond doubled the advantage with 18 minutes remaining and Mark Cartlidge added another three minutes later. The Foxes got a late consolation goal from Kane Messenger and remain in 19th spot, three points clear of the drop zone.

Division One South

The Homelands was the only ground in the division able to withstand the ravages of the weather and Ashford Town took full advantage to climb into a promotion playoff spot on the back of a 3-1 defeat of Crowborough Athletic, who are four points adrift at the foot of the table. The Sussex club did take the lead with a goal from Luke Piscina after nine minutes and held their advantage for 50 minutes. But Paul Jones equalised after 59 minutes and added a third in the final minute, this after Ryan Briggs had given Ashford the lead with ten minutes to go.

Ryman Youth League

Three matches survived this week's difficult weather conditions, with Croydon Athletic Youth team leading the way on Wednesday evening with a 10-0 home win against the luckless Horsham YMCA to move to top place in the South East Division this season. It was a win that was well and truly shared by the whole team, as nine players were on the score sheet by the end of the match, with just Dean Grant the only player to score twice.

On the same evening, Eastbourne Town lost just their second match of the season when visitors Whyteleafe won 2-1 – the winning goals coming from Sam Akokhia and Mohamed Shaw either side of half time. A late reply from Eastbourne's Jamie Strong just 15 minutes from time was not enough to save a point for the home club.

In the North West Division, Carshalton Athletic and Woking shared two goals and therefore

two points, resulting in no movement in the League table.

In the Isthmian Youth Cup, Ashford Town (Middx), Staines town and Thamesmead Town all moved through to the last sixteen. Ashford Town (Middx) lead the way with an impressive 6-0 home win against Walton & Hersham on the Wednesday evening, whilst North West Division leaders Staines Town won comfortably 4-0 at Corinthian-Casuals.

In the third match on Thursday evening, Thamesmead Town won by the only goal of the game at Maidstone United, the winner coming from Raphael Umobu twenty minutes into the second half.

FA YOUTH CUP

Ryman Youth League team Lewes Under 18's tremendous run in the FA Youth Cup ended on Monday evening in the Third Round Proper at the hands of Premier League Hull City.

A fantastic crowd of 529 saw the Young Rooks put in a proud display against the professionals from Humberside, conceding a lucky goal in the seventh minute through Darragh Sattelle, and a soft goal two minutes from half time when Mark Cullen nicked in to score.

Lewes grew in the second half but found few clear chances against a well-organized City side. Lewes supporters were treated to a fine final ten minutes when sub Arron Hopkinson's late goal gave the Rooks some hope, but even though they chased an equalizer, it wasn't to be.

GROUNDSMAN TRAINING COURSE NON LEAGUE CLUBS – STEPS 1-4

The FA, in partnership with the IOG, is pleased to announce a new Training Course, which has been set up to provide training to every Club Groundsman at Steps 1-4 within the Non-League pyramid.

The course will enable the Groundsman and his Club to benefit from years of experience from the trainers and exhibiting companies. Undoubtedly this will enhance the knowledge and skills base of the Groundsman and understand how to get the best from limited resources.

Topics covered on the Course include:

- ❖ Initial Marking of a Pitch
- ❖ Equipment Requirements and Health and Safety
- ❖ Drainage and Irrigation
- ❖ Compliance with the Laws of the Game
- ❖ Seasonal Renovation Works

Trainers will include:

Darren Baldwin – Tottenham Hotspur FC
Lee Jackson – Manchester City FC
Dougie Robertson – West Ham FC
Dave Roberts – Charterhouse Schools

Following participation on the Course the Club will receive One Year's membership to the IOG.

Dates and venues for the Courses will be provided in the Mew Year. Courses will be allocated on a regional basis to attempt to minimise travel, where possible.

The Course will be provided to all Clubs free of charge. Further details will be sent via the League in due course.

CLUB GOSSIP

DULWICH HAMLET FC

Dulwich Hamlet manager Craig Edwards had a novel response to his side's loss of form since the start of December, a home defeat to league leaders Kingstonian closely followed by a lacklustre display away to Corinthian-Casuals ending in a 1-2 reverse.

The usual Thursday evening training session was called off and the players, armed with klaxons, horns and raucous voices, trooped off to Wapping to watch Dulwich Hamlet supporters take on their counterparts from Millwall in an IFA (Internet Football Association) Cup match. Though Dulwich were heavy underdogs against the Millwall XI, the songs and chants of the Dulwich First Team players kept spirits up and clearly rattled the Millwall opposition, Dulwich supporters holding out for half-an-hour before going in 0-2 down at the break.

Old legs weakened in the second half, so no traditional Hamlet comeback, but the final score of 0-9 was by no means a disgrace given some of the scorelines Millwall have rattled up this term and at the end of the match the Dulwich supporters' team was applauded off by the players.

ENFIELD TOWN FC

Enfield Town Football Club has welcomed Steve Browne as their new Assistant Manager. Steve has considerable managerial experience and his previous clubs include Slough Town,

Dover Athletic, Boreham Wood and Aveley. He joins Enfield Town from Potters Bar Town.

GREAT WAKERING ROVERS FC

Dan Trenkel made his 200th First team appearance for Great Woking Rovers Football Club and newly re-signed Joel Ettienne-Clark his 100th in last weekend's match.

MAIDSTONE UNITED FC

Two of Maidstone United's youth teams are spreading the message of a local charity, which supports children growing up in a remote region of southern Ethiopia.

The charity – Children of Yirgaalem – is on the shirts of the club's under-14 and 15 teams. The appeal trust raises money to provide education and respite housing to young people in the area, which is 260km from the country's largest city Addis Ababa. It has a population of about 43,000.

The trust has built, and continues to fund, a school in the town that offers education, food and clothing to the poorest children in this desperately poor region. Despite chronic poverty, the school has its own football team and their love and commitment to the game is no different to that shown by the players of Maidstone United's youth teams.

Terry Casey, whose company is sponsoring the shirts in the name of the charity of which he's also a trustee, said:
"Whether it's the children of Yirgaalem or the young people playing for the Stones, football is a universal sport that unites and builds friendship and team spirit.

"By supporting two of Maidstone United's youth teams, it will increase the exposure of the charity locally and raise awareness that there are children and young people around the world that need our support in order to break generational poverty and under-achievement."

For more information about The Yirgaalem Appeal Trust, log on to www.yirgaalem.org and to find out about Maidstone United's youth teams, visit www.stonescommunity.co.uk

MALDON TOWN FC

Maldon Town had the biggest win of their Ryman League season when they put an end to Aveley's unbeaten Division One North campaign with a 1-0 last Saturday.

And Town's manager Stuart Nethercott was disappointed the winning margin was not much bigger. "I felt in the first half we were well on top and with our chances could have come in three or four goals up," he said. "We had to stand up in the second half as obviously Aveley came at us with everything but our players all showed great character in holding out."

POTTERS BAR TOWN FC

Potters Bar Town, of the Ryman League Division One North, are disappointed to announce the departure of Steve Browne as Manager of the club.

Browne advised Chairman Peter Waller on Sunday that he would have to resign from his position, quoting the need to concentrate on personal, financial and business interests, as he was unable to devote the time needed to the position.

Chairman Waller expressed his disappointment at Browne's departure, thanked him on behalf of the Board for his efforts and wished him well in his future ventures, adding that he had done a good job for the Club in his eighteen months in charge following his appointment at the start of the 2007/08 season.

"It is disappointing to see Steve go, especially after having had a good run in the league up until Saturday. We are now in a respectable mid table position and have the best squad of players since he came here and we believe we can now push on."

Browne's place will be taken by First Team Assistant Manager and Coach Mickey Leslie, who has been appointed Caretaker Manager and has agreed initially to take temporary charge of the team for the forthcoming games against Thamesmead and Northwood, whilst the board considers their next move.

THAMESMEAD TOWN FC

Thamesmead Town manager Keith McMahon has this week signed young striker, Byron Walker from Ramsgate. 22 year old Byron is a good prospect for the future and has previously played for Folkestone & Dover. Manager McMahon said of the striker, "He's got lightning pace and will be really useful. I'm very pleased to have signed him."

WARE FC

Glen Alzapedi has resigned as Manger of Ware Football Club. This has come about as a result of the manager and the club being

unable to resolve a number of key issues to the satisfaction of both parties.

The club acknowledge that Glen has been its most successful manager in 50 years. It also acknowledges that he has built a team of talented young players playing an attractive style of football. However the club has a duty to its members to manage it's affairs in the interests of those members. The club management committee are saddened that the differences cannot be reconciled but wish Glen the best for the future and would like to thank him and his family for the support they have given the club over the past 5 years.

In the meantime the club has asked Paul Halsey to oversee first team matters in a caretaker capacity until the position of Manager is advertised and an appointment made. Glen will be a hard act to follow but the Club will be looking for a manager of similar style and vision to take on the role as Glen did in difficult times.

WEALDSTONE FC

Wealdstone FC have announced that winger Graeme Montgomery has signed an agreement to be transferred to Coca Cola League Two Club, Dagenham & Redbridge FC. The talented former England School Boy has been trialling with several football league clubs since pre-season and was recently invited for training with the East London Club. Montgomery, 20, also played in a squad match in which he scored and has clearly impressed Dagers manager John Still.

The agreement between Wealdstone and the Dagers will take effect when the January transfer window opens and will involve an undisclosed fee and other potential payments based on appearances and progress. Montgomery will remain with the Stones until the end of December.

Stones manager, Gordon Bartlett, said: ' This is an excellent opportunity for Monty and good for the club to see yet another of our youngsters progressing into the professional ranks. I am delighted for him as he has worked extremely hard during his various trials and his undoubted talent has shone through especially in our recent 5 match winning run. I know that Graeme will relish this chance to progress his footballing career at a higher level and follow in the footsteps of recent young Stones like Jermaine Beckford and Marvin Morgan. With an average age of 21 in our 1st team squad, I am sure he won't be last of this

current group of players to progress into full time football in the near future. He is a great lad and everyone at Wealdstone wishes him all the best and we thank him for all his efforts over the last three seasons.'

WEALDSTONE FC

As part of its developing community programme with local groups and organisations, Wealdstone Football Club is currently working with Ruislip High School to build sporting links for those pupils with an interest in playing football or to engage with the football club in a supporting capacity.

Ruislip High School was opened as a new build in September 2006 and is based in Sidmouth Drive, Ruislip Manor. The school was recently rated by Ofsted as 'an outstanding school'.

Key aims of the link up will include Stanmore College/ Wealdstone FC Scholarship members attending and assisting with Ruislip High School training sessions during the season. Stones first team management, led by Manager Gordon Bartlett, will run coaching sessions that will also involve the school's teaching staff.

Wealdstone FC will invite pupils from the school take part in home match day events that are run during the season, including opportunities to act as mascots and ball-boys and girls.

Ruislip High School pupils will receive a card from the club entitling them to free admission to Ryman Football League matches at Wealdstone's new base at The Vale, and, in addition, an accompanying parent will be admitted at a reduced price. Stones will provide the opportunity for Ruislip High School teachers and/or Parents' Association to use the facilities at Ruislip Social Club as much as possible for social, fund-raising and other events.

Wealdstone FC's Juniors Liaison Manager, Mark Lloyd said: 'This is an excellent affiliation for the school and the club and we will be working closely together to build a strong relationship'. Headteacher of Ruislip High School, John Goulborn said: 'This is an exciting opportunity for the school in our early stages of development. It is yet another example of the school being "in the community, and for the community". We are looking forward to working with Wealdstone FC and developing a really meaningful partnership.'
